Dear Pastor/Minister:

As most of you know Pastor David Lovan and I are sponsoring our third annual Grace Summit Ministers Conference October 10th beginning at noon and ending on October 12th at noon. Enclosed you will find all the information about the meeting; the times, and topics.

We have purposely designed this conference for pastors in rural areas to help them be successful in reaching their communities. Most ministry conferences are designed for mega churches; however, 80 percent of the churches in America are under 200 people with the majority of those under 100. This tells us that it's the rural pastors that are reaching the most people.

If you can't attend due to lack of finances, please let us know. We have funds available to help because we know small churches often can't afford to help their pastor attend meetings.

This will be a time of fellowship, refreshing and rest around the Word. We are excited about serving and honoring you and your ministry. We believe in you.

We are going to have a great time and hope you can join us. Please RSVP by Oct. 8th if you can attend.

God bless,

Vic and David
